 PARKER

Classic
Parker

Parker's new automatic continuous feed mechanism contains break-resistant HB polymer 0.5mm fine-line lead.

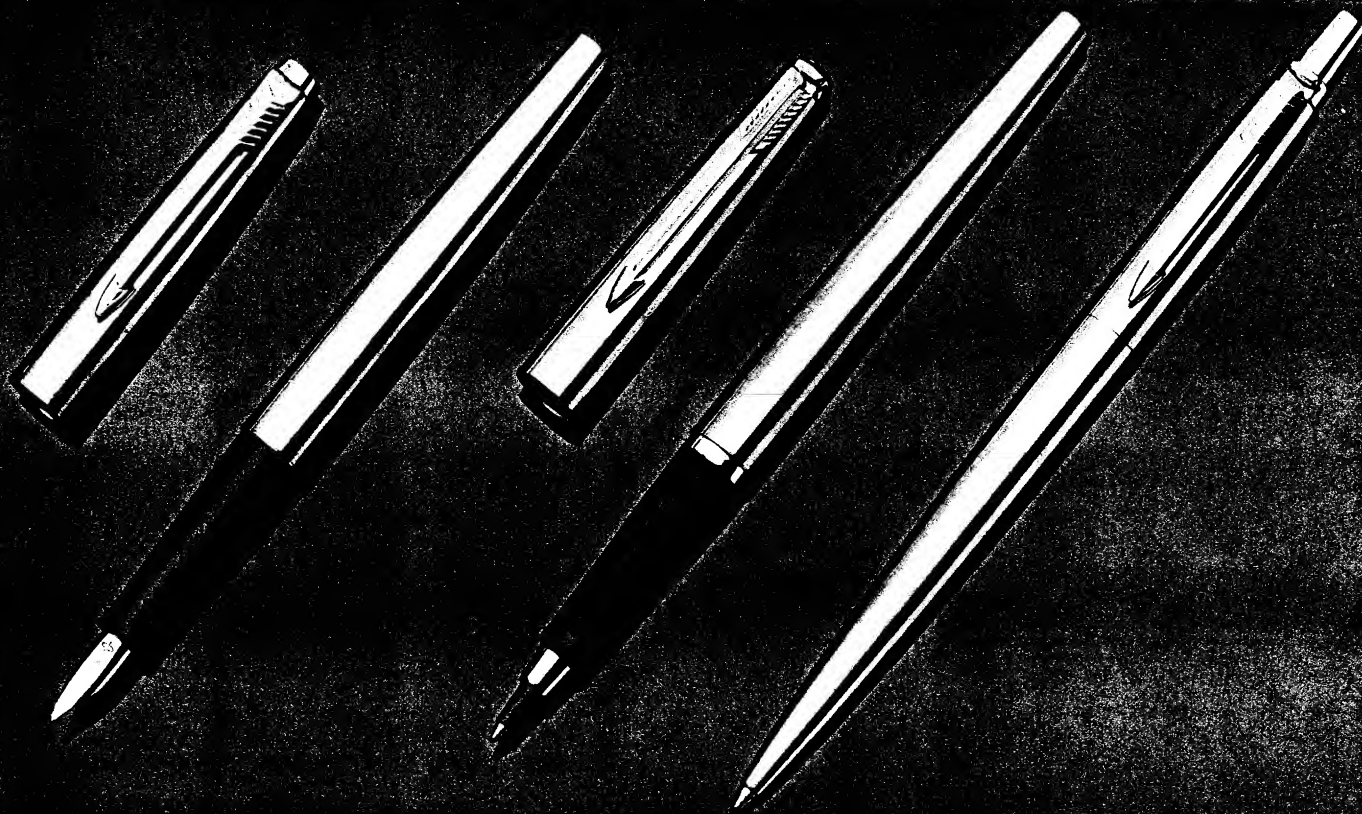

Slimness of line. Elegance of design. Perfection of balance. Parker Classic ball pens and matching pencils are the ultimate wedding of form and function. An uncommonly fine gift.

Classic ball pen and pencil in 18K heavy gold electroplate, matte black, brushed stainless steel.

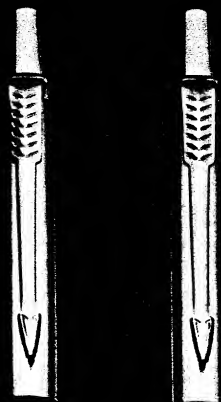

Parker's new automatic continuous feed mechanism contains break-resistant HB polymer 0.5mm fine-line lead.

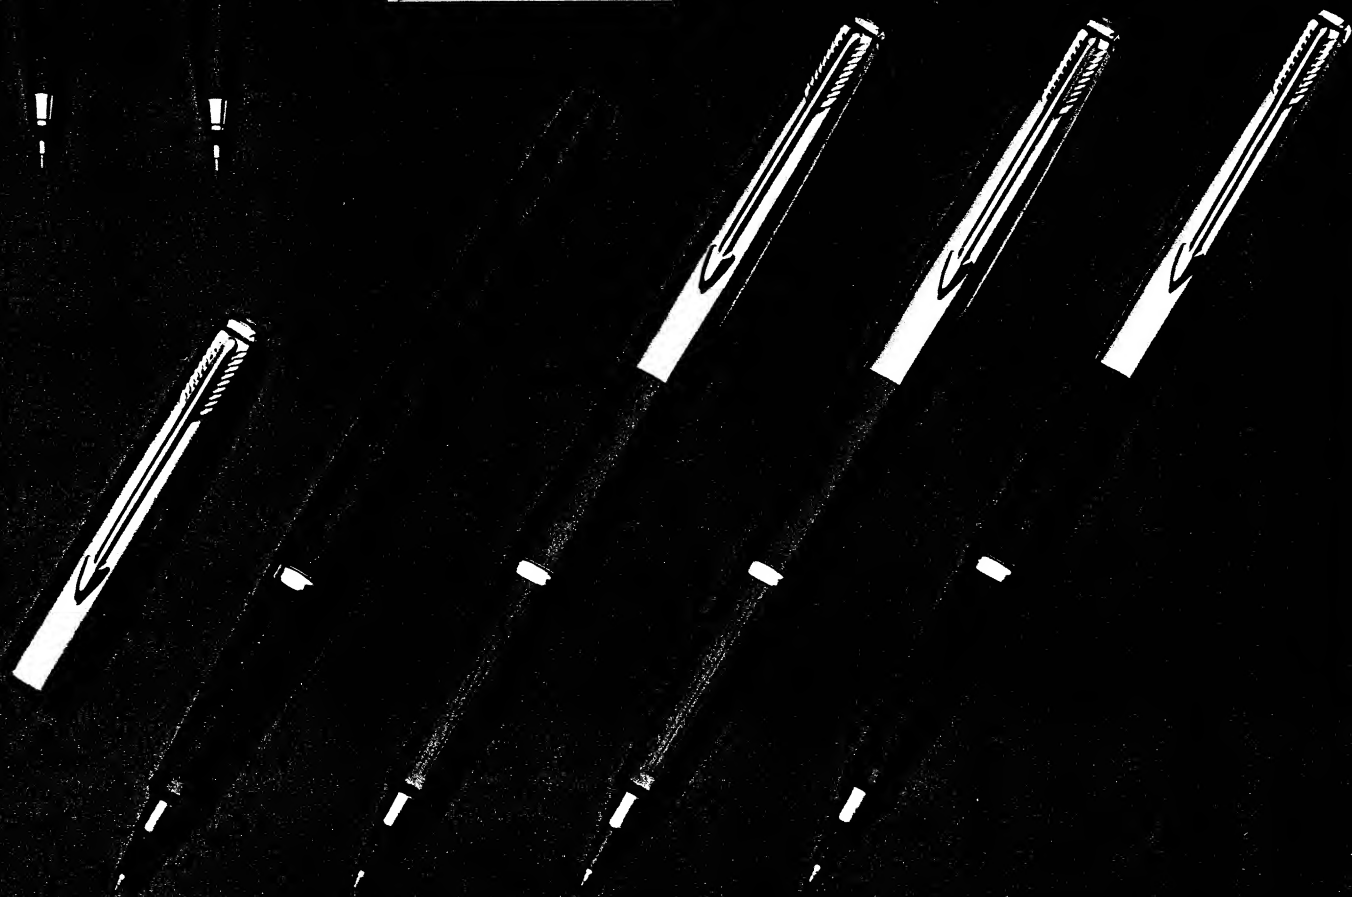

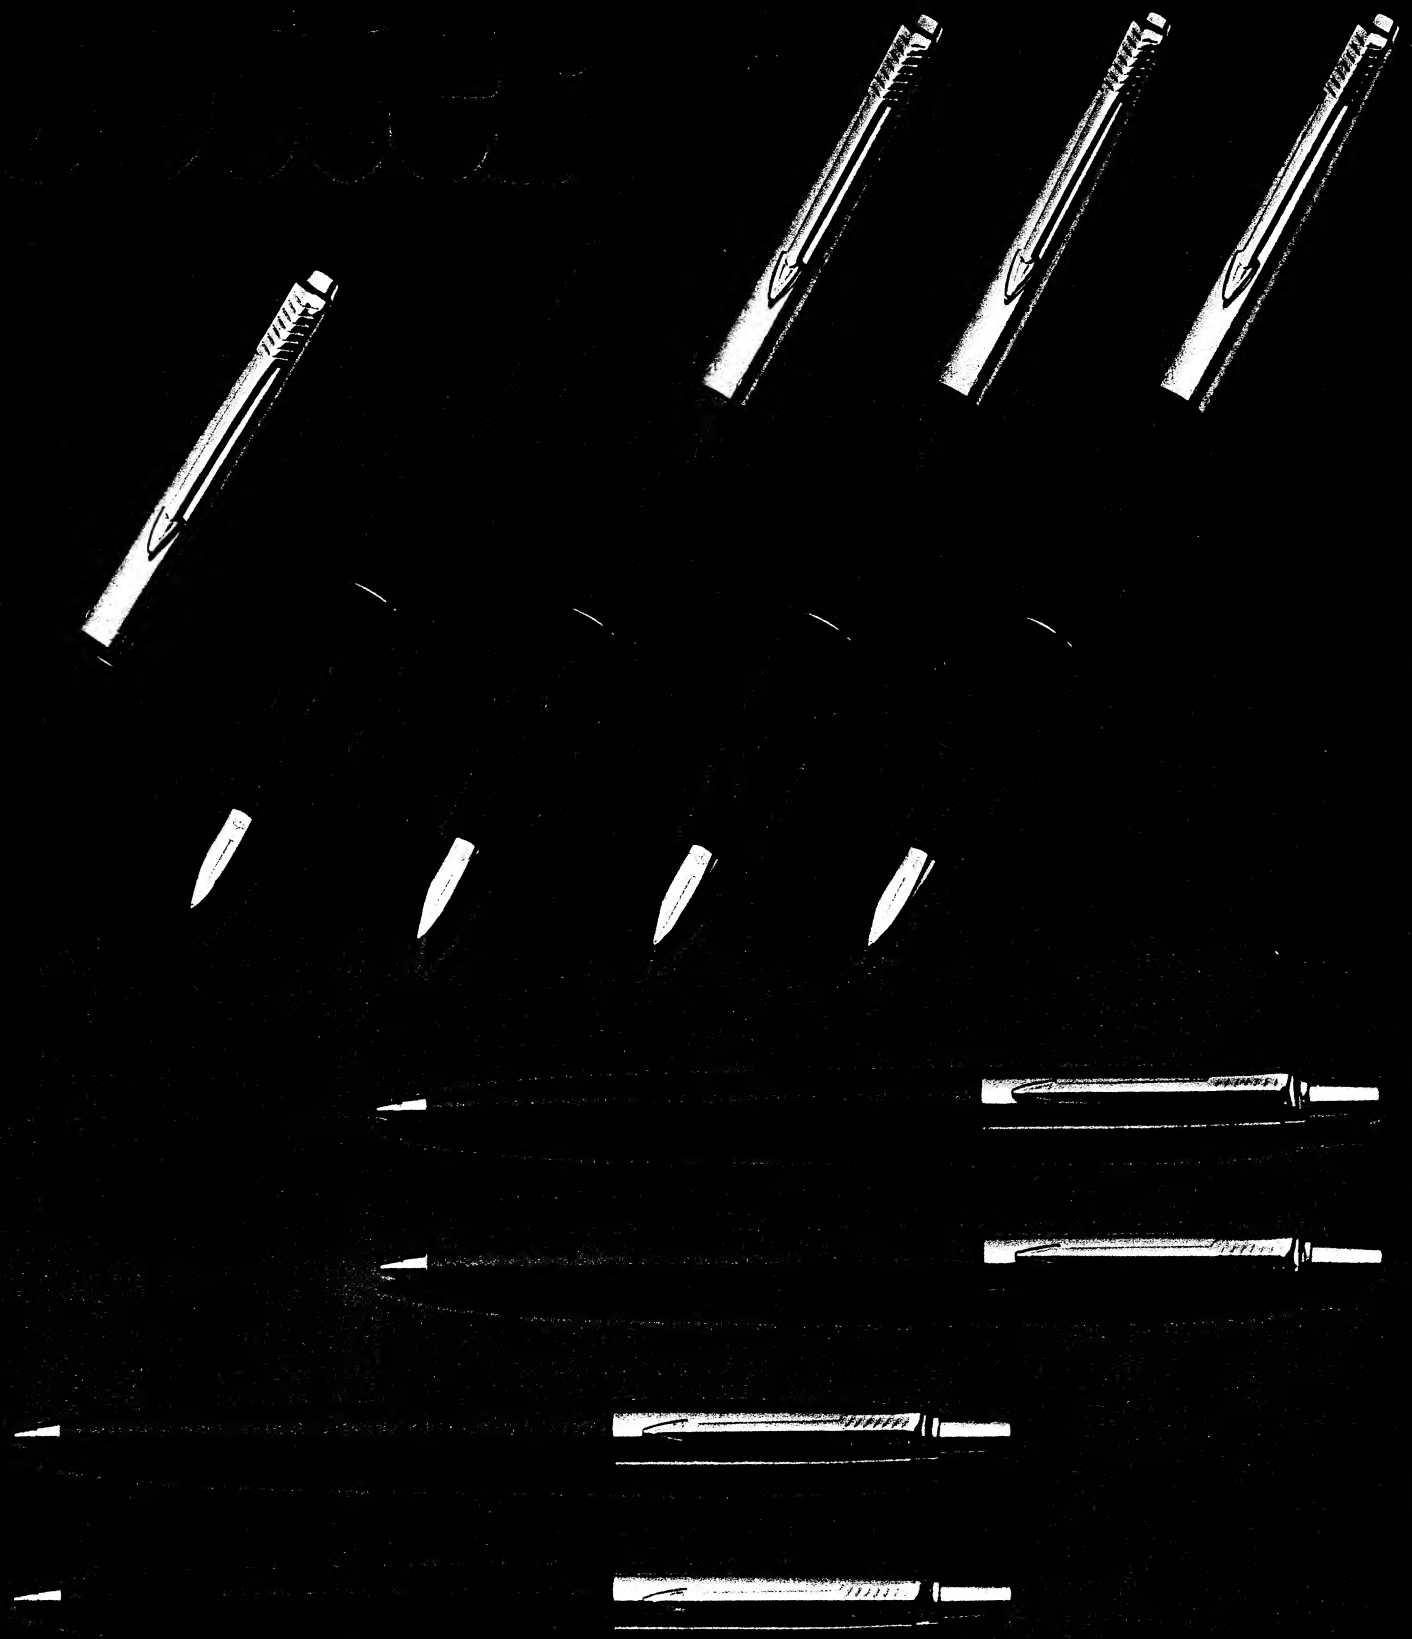

Sleek, streamlined simplicity fashioned from stainless steel. The Parker Jotter retains its rugged good looks and precision performance for years. Matches the bold lifestyle of the world's movers and shakers.
